## Celebrate March Is Reading Month!

### Celebrate March Is Reading Month @ Your Library!

Families and caregivers with children ages 0 - 5, stop in @ your local library during the month of March and receive a free Great Parents, Great Start Family Literacy pack. Inside you will find children's books, magnets, information and pledges to read to your child every day! Provided by St. Clair County Regional Education Service Agency (RESA) and the St. Clair County Library System. **At All St. Clair County Library Locations** This initiative was funded by a grant from the Michigan Department of Education and with the contributions from Seaway Bank and Friends of the Library.

### Open Craft Days @ Capac Library!

Drop in and do a craft of choice with your parent or caregiver! Ages 5 - 12.

**Capac Branch** March 1, 8, 15, 22 & 29 @ 4:00 - 7:00 p.m.

### Bedtime Story With Sponge Bob Square Pants! Registration Required

Sponge Bob Square Pants will be at the library! Wear your pj's and share a bedtime story with him! Sponsored by the Friends of the Algonac-Clay library. Ages 0 - 12.

**Algonac-Clay Branch** Thursday, March 16 at 6:30 p.m.

### Dr. Seuss On The Loose @ The Library!

Join us for a special birthday celebration! Come dressed as a character from one of the books and bring your favorite Dr. Seuss books! Sponsored by the Friends of the Yale Library. All ages. Also, stop in anytime during the month for a Dr. Seuss activity that changes weekly!

**Yale Branch** Saturday, March 18 @ 2:00 p.m.

### Special Storytimes

You won't want to miss these special events! All ages.

### Main Library/Port Huron

**Guest reader Toots the Red Cross Clown** Friday, March 17 @ 10:00 a.m.

### Tutors For Kids \*Registration Req.

Receive free tutoring in the subject of your choice with local high school National Honor Society students. Grades K-8.

## Beginning Computer Classes For Adults & Seniors

Seating is limited. Registration is required.  
Classes run approximately 1 1/2 hours.

### Introduction To Computers

Basic information on what you are looking at when you turn your computer on, how to turn it off and how to use the mouse. Better understand the "parts & pieces" of a computer. Tips and suggestions for first time computer users.

### It Won't Byte

#### Beginning Internet Class

Learn about the desktop, Internet Service Providers, access to the Internet and more!

#### Get The Message

##### Beginning E-mail Class

This is a beginning class on how to use a web based e-mail system. Practice opening and replying to messages and learn how to save attachments received with an e-mail.

#### Computer Research Made Easy

For your convenience, learn how to use the library databases to research from home 24/7. Google isn't the "be all" information resource - your library is!

#### Government Info @ Your Finger Tips

We can show you how to look up your respective elected officials, how to locate bills, laws, US Code, census information and much more.

#### Learn How To Buy & Sell On E-Bay

Looking for a special item or want to sell something from the comfort of your home? Learn the basics of buying and selling on E-Bay. Computer knowledge helpful.

### Introduction To Word

#### Beginning Word Processing

Beginning word processing using the Microsoft Word program. Learn how to open and close a Word program, practice using the toolbars and create a new document with basic formatting. Basic keyboarding and mouse skills helpful.

### Microsoft Word II

Learn more about how to use Word's features to create and edit your documents. This class will cover columns, tables, bulleted lists, format painter, labels, mail merge and attachments. Basic keyboarding and mouse skills helpful along with completion of Word I class.

### Ancestry Library Edition

Covers the basics of how to use this database to conduct family history research and create or add to your family tree.

### Introduction To Microsoft Excel

Learn the basics of Excel. Basic keyboarding & mouse skills helpful.

### Introduction To Microsoft Publisher

Learn the basics of how to create, customize, and publish newsletters, brochures, flyers and more. Basic keyboard and mouse skills helpful.

### Advanced Microsoft Windows

Increase your computer literacy with this class. Learn more about navigating Windows & managing your files. Basic familiarity with Windows helpful.

### Double Click

Learn more about search engines, online resources and services, chats, games, virus protections and more. Basic familiarity with Internet helpful.

### Resume Workshop

Covers the basics of effective resume design and presentation. Work on your resume or cover letter in class with personalized proofreading and tips on how to sharpen your documents to help get a great job. Also includes a brief overview of major online job search websites and services. Bring your resume and cover letter in Microsoft Word for personalized help if desired.

### Health Information On The Web

Find out how to use the Internet and online databases to locate information about health, medications, physicians, support groups and more. Learn the basics about how to evaluate the quality of online medical information.
